**San Juan County, NM ICS Contract with Securus Technologies, Inc.
Master Services Agreement (14 July 2013)**

Master Services Agreement
SAN JUAN COUNTY (NM)
A003211

This Master Services Agreement (this "Agreement") is by and between SAN JUAN COUNTY ("Customer") and Securus Technologies, Inc., ("we," "us," or "Provider"). This Agreement supersedes any and all other agreements (oral, written, or otherwise) that may have been made between the parties and shall be effective as of the later of 07/14/2013 or the last date signed by either party (the "Effective Date").

Whereas the Customer desires that Provider deploy certain new features to its inmate telecommunication system and to continue to provide telecommunications and maintenance services according to the terms and conditions in this Agreement according to the Schedule and Work Orders, which are incorporated by reference into this Agreement;

Whereas the Provider agrees to deploy certain new features to its inmate telecommunication system and to continue to provide telecommunications and maintenance services according to the terms and conditions in this Agreement and the Schedule and Work Orders, which are incorporated by reference into this Agreement;

Now therefore, in consideration of the mutual promises and covenants contained herein, the parties agree as follows:

1. Applications. This Agreement specifies the general terms and conditions under which we will perform certain inmate-related services and applications (the "Application(s)") for you. Additional terms and conditions with respect to the Applications will be specified in the schedules entered into by the parties and attached hereto (the "Schedules"). The Schedules are incorporated into this Agreement and are subject to the terms and conditions of this Agreement. In the event of any conflict between this Agreement and a Schedule, the terms of the Schedule shall govern. In the event of any conflict between any two Schedules for a particular Application, the latest in time shall govern.
2. Use of Applications. You grant us the exclusive right and license to install, maintain, and derive revenue from the Applications through our inmate systems (including, without limitation, the related hardware and software) (the "System") located in and around the inmate confinement facilities identified on the Schedules (the "Facilities"). You are responsible for the manner in which you use the Applications. Unless expressly permitted by a Schedule or separate written agreement with us, you will not resell the Applications or provide access to the Applications (other than as expressly provided in a particular Schedule), directly or indirectly, to third parties. During the term of this Agreement and subject to the remaining terms and conditions of this Agreement, Provider shall be the sole and exclusive provider of existing and any future inmate related communications, including but not limited to voice, video, and data (e.g., phone calls, video calls, messaging, prepaid calling cards, debit calling, and e-mail) at the Facilities in lieu of any other third party providing such inmate communications, including without limitation, Customer's employees, agents, or subcontractors.
3. Compensation. Compensation for each Application, if any, and the applicable payment addresses are as stated in the Schedules.
4. Term. The obligations of the parties shall be effective as of the Effective Date, but the "Initial Term" shall begin 120 days after the Effective Date (to allow for installation of hardware and/or implementation of network connectivity) and shall end on the date that is 12 months thereafter. Unless one party delivers to the other written notice of non-renewal at least ninety (90) days before the end of the then current term, this Agreement shall automatically renew for 3 successive periods of 12 months each. Notwithstanding anything to the contrary, the terms and conditions of this Agreement shall continue to apply to each Schedule for so long as we continue to provide the Application to you after the expiration or earlier termination of this Agreement.
5. Service Level Agreement and Limited Remedy. We are committed to providing you with reliable, high quality Applications and we offer certain assurances about the quality of our Applications (the "Service Level Agreement"). The Service Level Agreement for each Application is as set forth in the applicable Schedule. THE SERVICE LEVEL AGREEMENT SETS FORTH THE SOLE AND EXCLUSIVE REMEDIES FOR FAILURE OR DEFECT OF AN APPLICATION. WE DISCLAIM ALL WARRANTIES, EXPRESS OR IMPLIED, INCLUDING THE WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, ANY IMPLIED WARRANTY ARISING FROM A COURSE OF DEALING OR USAGE OF TRADE, AND NONINFRINGEMENT.

6. Software License. We grant you a personal, non-exclusive, non-transferable license (without the right to sublicense) to access and use certain proprietary computer software products and materials in connection with the Applications (the "Software"). The Software includes any upgrades, modifications, updates, and additions to existing features that we implement in our discretion (the "Updates"). Updates do not include additional features and significant enhancements to existing features. You are the license holder of any third-party software products we obtain on your behalf. You authorize us to provide or preinstall the third-party software and agree that we may agree to the third-party End User License Agreements on your behalf. Your rights to use any third-party software product that we provide shall be limited by the terms of the underlying license that we obtained for such product. The Software is to be used solely for your internal business purposes in connection with the Applications at the Facilities. You will not (i) permit any parent, subsidiary, affiliated entity, or third party to use the Software, (ii) assign, sublicense, lease, encumber, or otherwise transfer or attempt to transfer the Software or any portion thereof, (iii) process or permit to be processed any data of any other party with the Software, (iv) alter, maintain, enhance, disassemble, decompile, reverse engineer or otherwise modify the Software or allow any third party to do so, (v) connect the Software to any products that we did not furnish or approve in writing, or (vi) ship, transfer, or export the Software into any country, or use the Software in any manner prohibited by the export laws of the United States. We are not liable with regard to any Software that you use in a prohibited manner.

7. Ownership and Use. The System, the Applications, and related records, data, and information shall at all times remain our sole and exclusive property unless prohibited by law, in which event, we shall have the unlimited right to use such records, data, and information for investigative and law enforcement purposes. However, during the term of this Agreement and for a reasonable period of time thereafter, we will provide you with reasonable access to the records. We (or our licensors, if any) have and will retain all right, title, interest, and ownership in and to (i) the Software and any copies, custom versions, modifications, or updates of the Software, (ii) all related documentation, and (iii) any trade secrets, know-how, methodologies, and processes related to our Applications, the System, and our other products and services (the "Materials"). The Materials constitute proprietary information and trade secrets of Provider and its licensors, whether or not any portion thereof is or may be the subject of a valid copyright or patent.

8. Legality/Limited License Agreement. For services related to Applications which may allow you to monitor and record inmate or other administrative telephone calls, or transmit or receive inmate electronic messages ("e-mail"); by providing the Application, we make no representation or warranty as to the legality of recording or monitoring inmate or administrative telephone calls or transmitting or receiving inmate e-mail messages. Further, you retain custody and ownership of all recordings, and inmate e-mail messages; however you grant us a perpetual limited license to compile, store, and access recordings or inmate calls and access inmate e-mail messages for purposes of (i) complying with the requests of officials at the Facility, (ii) disclosing information to requesting law enforcement and correctional officials as they may require for investigative, penological or public safety purposes, (iii) performing billing and collection functions, or (iv) maintaining equipment and quality control purposes. This license does not apply to recordings of inmate calls or e-mail messages with their attorneys or to recordings or e-mail messages protected from disclosure by other applicable privileges.

9. Confidentiality and Non-Disclosure. Subject to the New Mexico Inspection of Public Records Act, the System, Applications, and related information (the "Confidential Information") shall at all times remain confidential to Provider. You agree that you will not disclose such Confidential Information to any third party without our prior written consent, or, if you believe you are required to or are requested to disclose such Confidential Information, you agree to contact Provider reasonably in advance so as to afford Provider an opportunity to object to any such disclosure. Because you will be able to access confidential information of third parties that is protected by certain federal and state privacy laws through the Software and Applications, you shall only access the Software with computer systems that have effective firewall and anti-virus protection. Moreover, you acknowledge that the contents of this contract constitute proprietary trade secrets and represent that you have not disclosed the terms and conditions of this Agreement to anyone outside of your organization save your legal representative. You warrant that you will keep the terms and conditions of this Agreement confidential and, unless required by court order or statute, will not disclose such information without Provider's express written consent (except that you may disclose the contents of this Agreement to your attorney or tax advisor, if any, but only after informing those persons that they must keep confidential the information contained herein). Before complying with any such court order or statute, you agree to notify Provider so that it may assert any rights to non-disclosure that it may have under the applicable law.

10. Claims. To the fullest extent allowed by applicable law, each party by itself and/or its employees, agents, or contractors agrees to be responsible for any loss, cost, claim, liability, damage, and expense (including, without limitation, reasonable attorney's fees and expenses) (collectively "Claims") arising out of (i) a breach of its own representations, warranties, and/or covenants contained herein, or (ii) gross negligence or willful misconduct, or (iii) actual or alleged intellectual property infringement.

Furthermore, the parties understand and agree that each one is subject to federal, state, and local laws and regulations, and each party bears the burden of its own compliance. The Provider agrees to install and implement the Inmate Telephone System according to the law governing the Provider, the instruction it receives from the Customer as to the Customer's requirements under the law, and according to the Customer's facility's demographics.

11. Insurance. We maintain comprehensive general liability insurance having limits of not less than \$2,000,000.00 in the aggregate. You agree to provide us with reasonable and timely written notice of any claim, demand, or cause of action made or brought against you arising out of or related to the utilization of the Applications and the System in which the Provider is brought in as a co-defendant in the Claim. We have the right to defend any such claim, demand, or cause of action at our sole cost and expense and within our sole and exclusive discretion. You agree not to compromise or settle any claim or cause of action arising out of or related to the use of the Applications or System without our prior written consent, and you are required to assist us with our defense of any such claim, demand, or cause of action.

12. Default and Termination. If either party defaults in the performance of any obligation under this Agreement, then the non-defaulting party shall give the defaulting party written notice of its default setting forth with specificity the nature of the default. If the defaulting party fails to cure its default within thirty (30) days after receipt of the notice of default, then the non-defaulting party shall have the right to terminate this Agreement upon thirty (30) days written notice and pursue all other remedies available to the non-defaulting party, either at law or in equity. Notwithstanding the foregoing, the thirty (30) day cure period shall be extended to ninety (90) days if the default is not reasonably susceptible to cure within such thirty (30) day period, but only if the defaulting party has begun to cure the default during the thirty (30) day period and diligently pursues the cure of such default. Notwithstanding the foregoing, if you breach your obligations in the section entitled "Software License" or the section entitled "Confidentiality", then we shall have the right to terminate this Agreement immediately.

13. Limitation of Liability. NOTWITHSTANDING ANYTHING TO THE CONTRARY IN THIS AGREEMENT, NEITHER PARTY SHALL HAVE ANY LIABILITY FOR INDIRECT, INCIDENTAL, SPECIAL, OR CONSEQUENTIAL DAMAGES, LOSS OF PROFITS OR INCOME, LOST OR CORRUPTED DATA, OR LOSS OF USE OR OTHER BENEFITS, HOWSOEVER CAUSED AND EVEN IF DUE TO THE PARTY'S NEGLIGENCE, BREACH OF CONTRACT, OR OTHER FAULT, EVEN IF SUCH PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. OUR AGGREGATE LIABILITY TO YOU RELATING TO OR ARISING OUT OF THIS AGREEMENT, WHETHER IN CONTRACT, TORT OR OTHERWISE, SHALL NOT EXCEED THE AMOUNT WE PAID YOU DURING THE TWELVE (12) MONTH PERIOD BEFORE THE DATE THE CLAIM AROSE.

14. Uncontrollable Circumstance. We reserve the right to renegotiate or terminate this Agreement upon sixty (60) days advance written notice if circumstances outside our control related to the Facilities (including, without limitation, changes in rates, regulations, or operations mandated by law; material reduction in inmate population or capacity; material changes in jail policy or economic conditions; acts of God; actions you take for security reasons (such as lock-downs)) negatively impact our business; however, we shall not unreasonably exercise such right. Further, Customer acknowledges that Provider's provision of the services is subject to certain federal, state or local regulatory requirements and restrictions which are subject to change from time-to-time and nothing contained herein to the contrary shall restrict Provider from taking any steps necessary to perform in compliance therewith.

15. Injunctive Relief. Both parties agree that a breach of any of the obligations set forth in the sections entitled "Software License," "Ownership and Use," and "Confidentiality" would irreparably damage and create undue hardships for the other party. Therefore, the non-breaching party shall be entitled to immediate court ordered injunctive relief to stop any apparent breach of such sections, such remedy being in addition to any other remedies available to such non-breaching party.

16. Force Majeure. Either party may be excused from performance under this Agreement to the extent that performance is prevented by any act of God, war, civil disturbance, terrorism, strikes, supply or market, failure of a third party's performance, failure, fluctuation or non-availability of electrical power, heat, light, air conditioning or telecommunications equipment, other equipment failure or similar event beyond its reasonable control; provided, however that the affected party shall use reasonable efforts to remove such causes of non-performance.

17. Notices. Any notice or demand made by either party under the terms of this Agreement or under any statute shall be in writing and shall be given by personal delivery; registered or certified U.S. mail, postage prepaid; or commercial courier delivery service, to the address below the party's signature below, or to such other address as a party may designate by written notice in compliance with this section. Notices shall be deemed delivered as follows: personal delivery – upon receipt; U.S. mail – five days after deposit; and courier – when delivered as shown by courier records.

18. No Third-party Beneficiary Rights. The parties do not intend to create in any other individual or entity the status of a third-party beneficiary, and this Agreement shall not be construed so as to create such status. The rights, duties, and obligations contained herein shall operate only between the parties and shall inure solely to their benefit. The provisions of this Agreement are intended to assist only the parties in determining and performing their obligations hereunder, and the parties intend and expressly agree that they alone shall have any legal or equitable right to seek to enforce this Agreement, to

seek any remedy arising out of a party's performance or failure to perform any term or condition of this Agreement, or to bring an action for the breach of this Agreement.

19. Miscellaneous. This Agreement shall be governed by and construed in accordance with the laws of the State of New Mexico. No waiver by either party of any event of default under this Agreement shall operate as a waiver of any subsequent default under the terms of this Agreement. If any provision of this Agreement is held to be invalid or unenforceable, the validity or enforceability of the other provisions shall remain unaffected. This Agreement shall be binding upon and inure to the benefit of Provider and Customer and their respective successors and permitted assigns. Except for assignments to our affiliates or to any entity that succeeds to our business in connection with a merger or acquisition, neither party may assign this Agreement without the prior written consent of the other party. Each signatory to this Agreement warrants and represents that he or she has the unrestricted right and requisite authority to enter into and execute this Agreement, to bind his or her respective party, and to authorize the installation and operation of the System. Provider and Customer each shall comply, at its own expense, with all applicable laws and regulations in the performance of their respective obligations under this Agreement and otherwise in their operations. Nothing in this Agreement shall be deemed or construed by the parties or any other entity to create an agency, partnership, or joint venture between Customer and Provider. This Agreement cannot be modified orally and can only be modified by a written instrument signed by all parties. The parties' rights and obligations, which by their nature would extend beyond the termination, cancellation, or expiration of this Agreement, shall survive such termination, cancellation, or expiration (including, without limitation, any payment obligations for services or equipment received before such termination, cancellation, or expiration). This Agreement may be executed in counterparts, each of which shall be fully effective as an original, and all of which together shall constitute one and the same instrument. Each party agrees that delivery of an executed copy of this Agreement by facsimile transmission or by PDF e-mail attachment shall have the same force and effect as hand delivery with original signatures. Each party may use facsimile or PDF signatures as evidence of the execution and delivery of this Agreement to the same extent that original signatures can be used. This Agreement, together with the exhibits and Schedules, constitutes the entire agreement of the parties regarding the subject matter set forth herein and supersedes any prior or contemporaneous oral or written agreements or guarantees regarding the subject matter set forth herein.

SERVICE LEVEL AGREEMENT

We agree to repair and maintain the System in good operating condition (ordinary wear and tear excepted), including, without limitation, furnishing all parts and labor. All such maintenance shall be conducted in accordance with the service levels in Items 1 through 10 below. All such maintenance shall be provided at our sole cost and expense unless necessitated by any misuse of, or destruction, damage, or vandalism to any premises equipment by you (not inmates at the Facilities), in which case, we may recoup the cost of such repair and maintenance through either a Commission deduction or direct invoicing, at our option. You agree to promptly notify us in writing after discovering any misuse of, or destruction, damage, or vandalism to, the said equipment. If any portion of the System is interfaced with other devices or software owned or used by you or a third party, then we shall have no obligation to repair or maintain such other devices or software. This SERVICE LEVEL AGREEMENT does not apply to any provided *Openworkstation(s)* (see below). For the services contemplated hereunder, we may provide, based upon the facilities requirements, two types of workstations (personal computer/desktop/laptop/terminal): The "*Openworkstation*" is an open non-secured workstation which permits administrative user rights for facility personnel and allows the facilities an ability to add additional third-party software. Ownership of the *Openworkstation* is transferred to the facility along with a three-year product support plan with the hardware provider. We have no obligation to provide any technical and field support services for an *Openworkstation*. CUSTOMER IS SOLELY RESPONSIBLE FOR THE MAINTENANCE OF ANY OPENWORKSTATIONS(S).

1. Outage Report; Technical Support. If either of the following occurs: (a) you experience a System outage or malfunction or (b) the System requires maintenance (each a "System Event"), then you will promptly report the System Event to our Technical Support Department ("Technical Support"). 2. Priority Classifications. Upon receipt of your report of a System Event, Technical Support will classify the System Event as one of the following three priority levels:

Priority 1	30% or more of the functionality of the System is adversely affected by the System Event.
Priority 2	5% - 29%% of the functionality of the System is adversely affected by the System Event.
Priority 3	5% or less of the functionality of the System is adversely affected by the System Event. Single and multiple phones related issues.

3. Response Times. After receipt notice of the System Event, we will respond to the System Event within the following time periods:

Priority 1	2 hours
Priority 2	24 hours
Priority 3	72 hours

4. Response Process. In the event of a System Event, where the equipment is located on Customer premises, Technical Support will either initiate remote diagnosis and correction of the System Event or dispatch a field technician to the Facility (in which case the applicable regional dispatcher will contact you with the technician's estimated time of arrival), as necessary. In the event of a System Event occurs in the centralized SCP system, technical support will initiate remote diagnosis and correction of the System Event.

5. Performance of Service. All of our repair and maintenance of the System will be done in a good and workmanlike manner at no cost to you except as may be otherwise set forth in the Agreement. Any requested modification or upgrade to the System that is agreed upon by you and us may be subject to a charge as set forth in the Agreement and will be implemented within the time period agreed by the parties.

INSTANT PAY™ PROGRAM

DESCRIPTION

The Instant Pay™ promotional program optimizes the call routing at Facilities by connecting as many calls as possible. If a call is attempted but there is no account or calling card open or in use to pay for the call, the call can be routed to the Instant Pay Program. The Instant Pay Program will offer the called party additional options to connect the call as well as provide information and promotional messaging on how to create a prepaid AdvanceConnect™ Account.

Pay Now™ Pay Now™ is an instant paid payment product available to facilities that have the Instant Pay promotional calling program installed that allows the called party to instantly pay for a single call using a debit or credit card in real-time as the call is being initiated. With Pay Now™, the called party may immediately pay using a credit or debit card for one single call or may elect to setup and / or fund a prepaid AdvanceConnect account.

Text2Connect™ Text2Connect™ is a promotional program designed to get inmates in touch with Friends and Family members quickly and to encourage them to set up a prepaid AdvanceConnect™ account. If (a) an inmate attempts a call to a mobile phone, (b) the facility allows calls to mobile phones, and (c) the call cannot be billed by Provider, then call control will be assumed by our third-party provider. Our third-party provider will prompt the called party to double opt-in to accept and confirm the charges for a premium SMS text message and continue the call. Charges for the message are billed by the called party's mobile provider on their mobile phone bill. The called party receives a text message receipt for the call charges and is given instructions on how to open a prepaid AdvanceConnect™ account. Text2Connect™ is available through our third-party processor who maintains relationships with select mobile phone companies around the country and manages the connection.

CALLING RATES

Provider will charge rates that are in compliance with state and federal regulatory requirements. International rates, if applicable, will vary by country.

CONTINUOUS VOICE VERIFICATION

DESCRIPTION

Continuous Voice Verification (CVV) reviews inmate call recordings so as to verify the inmate voice(s) appearing in the call as the owner of the correct personal identification number (PIN). CVV provides security regarding inmate telephone PIN use by providing correctional officers the ability to quickly identify PIN stealing and sharing. Institutional and public safety is also enhanced by providing investigators the ability to identify and evaluate calls in which there might be found evidence of illegal activities.

COMPENSATION

Where installation of CVV is requested by the Customer, a per call charge of \$0.25 will apply to all intrastate, interstate and international calls, which charge will be included in the "surcharge" calling rates and will not be billed separately.

LOCATION BASED SERVICES

DESCRIPTION

Securus' Location Based Services ("LBS") provides Customer with a mobile device user's approximate geographical location ("Mobile Location Data" or "MLD") by way of (i) information derived from calls placed on a Securus device by an inmate confined at a Customer Facility and received by such mobile device user, or (ii) mobile device user information (such as mobile device number) provided to Securus by Customer. When a mobile device user's prior approval is required by law for MLD to be provided to Customer, such approval will be obtained in accordance with wireless carrier-approved disclosure and opt-in processes. LBS will capture approximate latitude and longitude coordinates of a mobile device user at the times at which the called party accepts the call, and when the call ends. LBS will display geographical information on a map and will combine covert alert functionality with approximate geographical coordinates when calls are accepted by the called party or end, and operate on demand in (near) real time. Customer's use of LBS is governed by and conditioned upon the terms set forth herein.

COMPENSATION:

Provider will charge Customer a non-commissionable license fee of \$0.10 per call, which fee will be added to the "per call charge" calling rates if permitted by state and federal regulatory requirements for all intrastate, interstate and international calls and will not be billed separately.

TERMS OF USE:

1. Customer will comply with all privacy, consumer protection, marketing, and data security laws and government guidelines applicable to Customer's access to and use of information obtained in connection with or through the Location-Based Services application. Customer acknowledges and understands that the Customer is solely responsible for its compliance with such laws and that Provider makes no representation or warranty as to the legality of the use by Customer of the Location-Based Services application or the information obtained in connection therewith. Provider shall have no obligation, responsibility, or liability for Customer's compliance with any and all laws, regulations, policies, rules or other requirements applicable to Customer by virtue of its use of the Location-Based Services application.
2. Customer acknowledges that the information available through the Location-Based Services application includes personally identifiable information and that it is Customer's obligation to keep all such accessed information secure. Accordingly, Customer shall (a) restrict access to Location-Based Services to those law enforcement personnel who have a need to know as part of their official duties; (b) ensure that its employees (i) obtain and/or use information from the Location-Based Services application only for lawful purposes and (ii) transmit or disclose any such information only as permitted or required by law; (c) keep all user identification numbers confidential and prohibit the sharing of user identification numbers; (d) use commercially reasonable efforts to monitor and prevent against unauthorized access to or use of the Location-Based Services application and any information derived therefrom (whether in electronic form or hard copy); (e) notify Provider promptly of any such unauthorized access or use that Customer discovers or otherwise becomes aware of; and (f) unless required by law, purge all information obtained through the Location-Based Services application and stored electronically or on hard copy by Customer within ninety (90) days of initial receipt or upon expiration of retention period required by law.
3. Customer understands and acknowledges that all information used and obtained in connection with the Location-Based Services application is "AS IS." Customer further understands and acknowledges that Location-Based Services uses data from third-party sources, which may or may not be thorough and/or accurate, and that Customer shall not rely on Provider for the accuracy or completeness of information obtained through the Location-Based Services application. Customer understands and acknowledges that Customer may be restricted from accessing certain aspects of the Location-Based Services application which may be otherwise available. Provider reserves the right to modify, enhance, or discontinue any of the features that are currently part of the Location-Based Services application. Moreover, if Provider determines in its sole discretion that the Location-Based Services application and/or Customer's use thereof (1) violates the terms and conditions set forth herein and/or in the Agreement or (2) violates any law or regulation or (3) is reasonably likely to be so determined, Provider may, upon written notice, immediately terminate Customer's access to the Location-Based Services application and shall have no further liability or responsibility to Customer with respect thereto.
4. Provider shall have no liability to Customer (or to any person to whom Customer may have provided data from the Location-Based Services application) for any loss or injury arising out of or in connection with the Location-Based Services application or Customer's use thereof. If, notwithstanding the foregoing, liability can be imposed on Provider, Customer agrees that Provider's aggregate liability for any and all losses or injuries arising out of any act or omission of Provider in connection with the Location-Based Services application, regardless of the cause of the loss or injury, and regardless of the nature of the legal or equitable right claimed to have been violated, shall never exceed \$100.00.
